OFFICE OF PETITIONS

In re Application of	:	
BINNIG, et al.	:	
Application No. 10/623,916	:	DECISION ON PETITION
Filed: July 21, 2003	:	UNDER 37 CFR 1.137(b)
Attorney Docket No. CH920000082US1	:	

This is a decision on the petition under the unintentional provisions of 37 CFR 1.137(b), filed August 13, 2007, to revive the above-identified application.

The petition is **GRANTED**.

This application became abandoned for failure to timely pay the issue and publication fees on or before June 1, 2006, as required by the Notice of Allowance and Fee(s) Due, mailed March 1, 2006. Accordingly, the date of abandonment of this application is June 2, 2006.

The petition satisfies the requirements of 37 CFR 1.137(b) in that petitioner has supplied (1) the reply in the form of payment of the issue fee of \$1400 and the publication fee of \$300, (2) the petition fee of \$1500; and (3) an adequate statement of unintentional delay.

It is not apparent whether the person signing the statement of unintentional delay was in a position to have firsthand or direct knowledge of the facts and circumstances of the delay at issue. Nevertheless, such statement is being treated as having been made as the result of a reasonable inquiry into the facts and circumstances of such delay. See 37 CFR 10.18(b) and Changes to Patent Practice and Procedure; Final Rule Notice, 62 Fed. Reg. 53131, 53178 (October 10, 1997), 1203 Off. Gaz. Pat. Office 63, 103 (October 21, 1997). In the event that such an inquiry has not been made, petitioner must make such an inquiry. If such inquiry results in the discovery that it is not correct that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional, petitioner must notify the Office.

If the person signing the petition desires to receive future correspondence regarding this application, the appropriate power of attorney document must be submitted. While a courtesy copy of this decision is being mailed to the person signing the petition, all future correspondence will be directed to the address currently of record until appropriate instructions are received.

Telephone inquiries concerning this decision should be directed to Monica A. Graves at (571) 272-7253.

This application is being referred to the Office of Data Management for processing into a patent.

A handwritten signature in black ink, appearing to read 'B. Brown', with a stylized flourish at the end.
